WORK EXPERIENCE

Nova Services Ltd

Jan 2019 - Jan 2020

During this time, I have successfully completed several software development projects, both individually and as part of a team. These projects have allowed me to gain practical experience in developing web applications, mobile apps, and software solutions.

Nova Services Ltd

Jan 2021 - Jun 2022

I have acquired proficiency in languages such as JavaScript, HTML, CSS, and PHP, as well as frameworks and libraries like React Js, Node Js, Bootstrap, Angular Js, Vue Js and Express Js. I am also familiar with version control systems such as Git and have experience working with databases like MySQL and MongoDB.
